Food & Nutritional Ingredients Fair Set to Become the Leading Meeting Point of the Industry!

The 7th International Food, Nutritional Ingredients and Technologies Fair, "Food & Nutritional Ingredients," will host leading companies in the industry at the Istanbul Expo Center from June 9-11, 2027.

This event will be a convergence point for local and international industry professionals, showcasing the latest products and technologies. The Food & Nutritional Ingredients Fair will offer a unique opportunity for participants to meet demands in raw materials and technology.

For those looking to stay up to date with current developments in the sector and establish business connections, the Food & Nutritional Ingredients Fair is an unmissable opportunity. Join this significant event to discover the latest trends in the industry and build collaborations!

WHY PARTICIPATE?

Opportunity to Explore Industry Innovations
The Food & Nutritional Ingredients Fair provides participants with the chance to stay abreast of the latest developments in the industry by showcasing the newest food and nutritional components, ingredients and technologies.

Chance to Forge New Business Connections
The fair offers an opportunity to meet industry professionals and establish new business connections. Participants can interact with potential customers, suppliers, and business partners to expand their networks.

Boost Your Brand Visibility
Participation in the Food & Nutritional Ingredients Fair allows exhibitors to showcase and promote their brands. This enables participants to increase brand visibility by introducing their products and services to a wide audience.

Market Analysis and Competitive Evaluation
The fair provides an opportunity to observe competitors and conduct market analysis. Participants can better understand the competitive landscape by examining the products and services of other companies in the industry.

Exploration of New Business Opportunities and Contract Negotiations
The fair provides opportunities to discover new business opportunities and engage in discussions with potential customers. Participants can negotiate new business contracts by meeting with potential customers throughout the fair.
